“ My Dear Cheryl you brought joy and happiness into my life we spoke of our family and the joy they brought us. Painting with you was hilarious, and peaceful when you sang happy birthday to me in your Easter Bunny outfit it brought me the warmest feeling. You are at peace now and having fun in Heaven💎 Estelle

“ This lovely woman, my dear "American mama", was such a special lady. Witty, funny, loving, caring, artistic, so very talented in so many ways.... and one of the greatest intercessors I've known. She did so many lonely battles in the privacy of her bedroom, and only eternity will tell all the results of those prayers. She knew her Lord and loved to praise and worship Him - and His presence dwelt in her house so very strongly. Together we experienced the revival that changed our lives for ever, and countless miracles after that. United in the Spirit of God, I know we will never depart. I am waiting for the day that we will meet again in the greatest praise party of all! Just a little jealous you got there before me.... I can so well imagine you dancing and twirling there and doing the heavenly line dance with our Father and His Son Jesus, whom you loved so very much. I hope from the bottom of my heart that all of us that are left behind would see how our mourning is turned into joy as we draw near to Him who can comfort us better than anyone else. That was her deepest and greatest wish for everyone she knew, and that's what she lived for. My deepest condolences to the whole family and everyone who knew her. May she ever live in our hearts until the day we meet again!
