“ Sissy, I am so sorry for your loss. I remember y'all coming to the keys when we lived there many years ago, and me and Jr playing house just so we could eat the sucrets like they were pills.. we had so much fun. Y'all were always so much fun to be with.. I wish we could have kept in touch.. but I'm glad for the memories.. one day I will tell you of my greatest memory of you. I would be there if I didn't have to work, but know that my heart and love is with you... Margaret
